

MFG Innovative Composite Materials

Engineered Composite Solutions • 1948-Today

Materials That Meet UL, RoHS and EU Reach Standards

MFG has a number of proprietary materials that are UL-certified. A list of these with specific details can be found by searching "Molded Fiber Glass Companies" (note spelling) on [UL's online certifications directory](#).

Many composite materials are also ROHS and EU Reach compliant. The engineering staff at MFG Research is available to assist you with meeting regulatory standards that pertain to your product.
